Dear Prayer Partners,

I want to thank you for your love for us and for your prayers and continuous support of this ministry. It is an encouragement to know that your prayers arrive at His throne and that we can trust in the great sovereign Lord. All things are under His control and for this we are grateful. Praise God!

We had been praying for the campaign with the brethren from Lighthouse Bible Church (Southern California), and the Lord heard our prayers. It was an enormous blessing to our lives to have them here in Tucuman. We were able to share the word of God with 300 people in the neighborhood Juan Pablo I; this number includes children who were also present. Out of those 300, there were 48 who were interested in learning more through discipleship and by being visited in their homes. We also worked in other neighborhoods—Smata, San Pablo and 24 de Septiembre. In total, over 170 people were interested in visiting with us again. Please pray for these new discipleships, that the Word will be firmly planted in their hearts, causing true repentance and faith in Christ Jesus. Thank you for your prayers.

We continue to pray fervently for land for our church. We believe that God is faithful and is going to answer our prayers in His will. We know that it is difficult to coordinate the people of the church without a meeting place, but it seems that the challenge has united the church even more. We are praying, therefore, that all will happen in the Lord's time.

We have a lot of work ahead of us. We ask that you support us in prayer for each heart in the church to be faithful and constant in their work—which is visiting souls that need Christ.

Please also pray for the coming activities. Pray that God will guide our plans and time and that we will be able to preach His word clearly and accurately. Pray specifically for the children's programs, that many children will be reached with the gospel.

Thanks once more for your economic support and for your love toward my family. We love you enormously in the Lord. I send you greetings and blessings.

By His grace,

Pastor Jorge Ahualli
