Dear Brethren,

We have seen God working in our midst during this past month. A child came to Christ a couple of days ago. He used to have many nightmares, but says now that he's received Christ, he dreams good dreams.

We discipled a couple throughout 2010. The husband had not been living wisely before the Lord. He grew up going to church and was involved in several ministries. He recently asked to talk with me, and in that meeting, he told me that he was a religious man, but not a true believer. I shared the gospel with him and he received Christ as his personal Lord and Savior. From that point on, his whole life changed! He was baptized last Sunday and he gave his testimony of faith. Glory be to God!

The Lord gave us many opportunities to share the gospel in schools last month. We preached the word of God to more than 700 people! Pray the Lord will draw many to Himself.

My children finished another year of school. They are growing spiritually, but still struggle with some things. Please remember them in your prayers.

The church is doing well overall and is growing in holiness. God is working in the lives of a couple who had had several problems. Right now, they are growing in the knowledge of the Lord Jesus Christ and are very committed to His word.

2010 was a wonderful year for me. God taught me many things and I am so happy and privileged to serve Him together with my wife. This year, my wife and I will celebrate 19 years of marriage.

Please continue to remember us in your prayers. You have helped us out a great deal throughout these past four years. The Lord provided for our needs through you. Thank you, thank you very much! Ruth 2:10—*Then she fell on her face, bowing to the ground, and said to him, "Why have I found favor in your eyes, that you should take notice of me, since I am a foreigner?"*

With love,

Pastor Dardo Leandi
