Dear Beloved Brothers of White Fields,

I have in my heart a great deal of gratitude toward each of you. I am so thankful to God for those of you who give of their resources to maintain and support the work of God in the world. Without a doubt, God is at work in and through your lives. Only God could put such desires into our hearts. Sincerely, you all are a great blessing to our ministry and us. We love you and we pray for you.

I want to tell you about a beautiful ministry that is developing—the married couples' group. It is such a blessing to see so closely the hand of God in the lives of each one of them. In our neighborhood, many of the families have lost their values and principles. Many of the couples are turning to divorce as the only answer. They live in constant tension that is ruining their homes. The children usually end up being raised by one parent or else they seek peace in the homes of others. This leads many of them to a life of delinquency and addictions.

It is our great purpose to make Christ known and to take Him into each one of these homes. This is why we are working with married couples so that our community can see how living in Christ can change relationships. I know that only God can do this, and this is one way to impact our community. Please pray for us.

We are able to accomplish this through discipleships and biblical counseling. We also meet together as a large group once a month; currently we are studying how to strengthen intimacy between couples. We understand very well that by strengthening this area (along with others), we will be able to see functioning families that glorify God.

There were 11 couples at the last meeting we had. We have seen this number grow throughout the year, and have heard great testimonies of how God is at work in their lives.

We are very happy that God is doing great things. Many are committing themselves to Christ and His work. It is also wonderful to see the children involved. We realize that we need to spend time and effort to bring these couples to Christ in order to see the salvation of entire families. All to the glory of God.

Thank you for remembering us in your prayers. We are very grateful for your partnership.
