Dear Brethren in Christ,

It is a joy to share the events of our church plant with you through this report. I give thanks and praise to our Lord Jesus Christ for the privilege that He gives me—first to work for His kingdom, and secondly, to know you and to have this union in Christ. I am always thankful to our God for each one of you and for your faithfulness in supporting this ministry. You are a part of this small church for the glory of God.

Here in our province, the students have a holiday (winter) break. We are working diligently, visiting homes in the surrounding neighborhoods. Praise God that hearts are being opened to His word and that people are receiving Jesus Christ. We are currently discipling them; please pray for us all.

We took advantage of the opportunity that presented itself as we celebrated the birthdays of two Bible Club members. Noelia and Milagros both turned 15 years old. This was the perfect occasion to gather their families into our church home where we preached the gospel of Christ. Two people received Christ as Lord and Savior. Pray for us as we follow up with them.

I am sad to report that one of our small groups has closed, yet six groups remain active. We are taking our evangelism team to preach in these places where we carry out these meetings. The goal is that the members of these groups are sharing their faith with others in their neighborhoods and are inviting them to the meetings.

We continue to pray fervently for the needed funds to purchase property for the church plant. We are convicted that if this is God's will, it will happen. We just ask that you pray with us because my house is already too small to continue functioning as our chapel.

Personally, I ask for your prayers for my father. He is in the third stage of Alzheimer's disease and he no longer gets out of bed. Please keep praying for him and for my mother also; she is the one who is caring for him. He is still living at home. Pray that the Lord will sustain her and the family. Thank you.

Blessings,

Pastor David Navarro
