Dear Brethren,

Once again, it is a pleasure to be in contact with you through this report—to be able to tell you about the Lord's work here in the neighborhood of El Libertador. Personally, I am thankful to all of those who pray and support us financially. We do not tire of thanking God for this great privilege that He has given us. It really is a joy.

The church had a luncheon where we not only shared food, but enjoyed a time of fellowship where the brethren talked and got to know each other better. We would like to have this time of gathering once a month because it has been a great blessing to all of us.

The women continue to meet monthly. All of the ladies participate in this wonderful time of fellowship. But the main purpose is evangelism; the women are encouraged to invite relatives, co-workers, or neighbors to the meetings. Please pray that the Holy Spirit will bring many to salvation in Christ Jesus.

We have also begun to have couples' meetings. My wife and I are leading this group. We hope that these meetings will encourage them to become active in the work of the Lord, particularly in the spreading of the gospel through church plants. We are currently studying the topic of communication in marriage. We pray that these marriages will first be strengthened so that they will be more effective in other ministries.

As for the other ministries, new youth are arriving for the Bible club. This is a great encouragement; two girls have given their lives to Christ. We hope to start discipleships soon. We also have a group of older youth that meet. Give thanks to God for bringing these young people together to learn about His word.

I am thankful to have my father, who is 70 years old, in Buenos Aires again. He declares to know Christ, for which I am grateful. I want to enjoy this time that I have with him, and also for my son (Natanael) to get to know him better. We haven't spent much time together in the past because of the miles between us. Now we are looking forward to strengthening our relationships.

May the Lord bless you. Thank you for praying for us.

Christ's servant,

Pastor Gaston Rivero
