Dear Prayer Partners,

We praise the Lord for everything He is doing in our lives in spite of the tests that we face. It is comforting to know that you are praying for us. Our daughter, Fiorella, continues to have tests done to determine why she is not able to eat solid foods. The doctors are studying the way in which she swallows food. Please pray for wisdom and that they will be able to determine the cause of this problem.

We thank the Lord for the work He has done in the hearts of a family who had left our congregation but is now back. We are very grateful to the Lord for this. The Orellano family needs our prayers. The father is Nestor, the mother is Marisol. Please pray that Marisol will search for God in His word. The children's names are Ezequiel, Celeste, Rocio, Lucas and Lucila.

November will mark the anniversary of the church, so we are painting the front of the church and working on the platform in our parlor of praise. We pray that we will be able to advance the gospel to other surrounding areas so that all will have heard of Jesus Christ.

The married couples' meetings continue and we have added four new couples to the activities. Our youth group which consists of 12-14 year olds is meeting weekly. There are about eight in attendance. The children's Sunday school is growing and we are working toward hosting a camp for them. We thank the Lord for the provision of sound equipment. We use it during our praise and worship time and for other activities.

On Wednesdays, we gather for prayer, and afterwards those who are interested in being trained for leadership meet together. This unites us and challenges us to a greater commitment to God on a personal level and in His work.

We ask that you pray specifically for the brothers and sisters here—that they are awakened for the work of the Lord, to advance the gospel in Vila and in other towns.

Thank you for your prayers and financial contributions to the ministry. We praise the Lord for your generosity and care.

Serving Christ,

Pastor David Romano
