Dear Brethren,

May the Lord fill your lives with love and passion for the lost world!

Another year has come and gone and we can only thank God for saving and washing us with His blood. How amazing it is that He came to us and dwelt among us! Brethren, this message is unknown by many today. Even though a lot of people celebrate Christmas, they ignore the true meaning. We have the same privilege the shepherds had of knowing the Lord Jesus Christ. I encourage you to share with others this message of love!

God continues to work miracles of salvation in our midst. The Bible says that God chose what is low and despised in the world and this is true. Last year, a veteran came to my house begging for help. He had been rejected by the community. I shared the gospel with him and he received Jesus Christ. Now, one year later, he returned to my house, asking to be baptized. I was so excited to see him again! Some of the brethren from the church and I took him to a river about 10 kilometers from here and I baptized him. This was the first time I have ever baptized someone. He then asked if he could share his testimony with us. His story had great impact on all of us! This man was like Saul from Tarsus; he used to persecute pastors and Christians from his country and killed many of them. But God, who is rich in mercy, saved him and now he is a child of God. Please pray for him, that he will grow spiritually. His name is Daniel Jorge.

This past month has been very special for us. My children finished another year of school. Noel and Misael will start high school next year and Dorcas had the best grades in the class. Thank you very much for praying for them. Please continue to lift them up. They are sometimes easily influenced by the lies of the world. Pray for my wife and me, that we can lead them in the ways of the Lord.

It is very hard to find time for all of us to meet together to study God's word. There is always something that interrupts our fellowship! However, I think that overall we have improved as a family. I give thanks to the Lord for that.

My wife and I have been working with the children in the area. It has been a wonderful time! We have so much fun with these children and we rejoice in the work done there by our brethren.

Thank you very much for your support. Feel free to visit our website: www.iceclodomira.blogspot.com. We love you and wish you a great year full of blessings from our Almighty God.

In Christ,

Pastor Angel Santillan
