

ARGENTINA

Dear Brethren,

Please be in prayer for my daughter Mara. She has an infection in the blood that we know little about. She was hospitalized for ten days and is on medication. We were told it will take a while to fight it; hopefully the medication will bring it under control. Please pray the Lord will heal her body.

Thank you for your support over the past four years. We have accomplished a lot of work and these achievements are all done by and for the Lord. Praise God!

We continue to disciple the brethren and challenge them to grow more in the new year. Many of them have goals of discipling others. May we grow and mature and make disciples who make more disciples. Please continue to pray for Ezequiel Maldonado who is in his second year of studies.

The radio ministry continues to grow and is used by the Lord. We are on the air Tuesdays and Fridays, but would like to be live Monday through Friday. Pray the Lord will grant this desire. We receive many calls and comments. May the Lord use this to bring more souls into His kingdom.

We also desire to proclaim the gospel of Jesus Christ in a district called 20th Century. We are also praying to see if it's the Lord's will for us to go to Uruguay and plant a church there. I am from Uruguay and have many contacts there. Pray for God's clear direction for our ministry.

My son Andres will be in Chile until February 12. He is serving at Word of Life. Pray the Lord will use him in mighty ways.

Thank you very much for your support. Even though we are no longer with White Fields in 2012, please keep praying for us. You are a blessing to the work of the Lord and we are grateful for everything you have done for us. Have a very good 2012!

Blessings,

Pastor Marcelo Santos
