Dear Prayer Partners,

We praise God for the fifth anniversary of this church plant. We are amazed and grateful to see the grace of God working in the lives of these members—adult, children and youth. We plan to celebrate this and invite as many people as possible who will hear the gospel preached, which is our main objective.

Prior to this event, we plan to host an activity for the children in the plaza. We will be going from house to house, inviting as many as we can. We will show movies to the children and share the gospel. We really can see God working in all of this.

We had the opportunity to send four boys from our Bible club to a camp in Monte. It was very good for them; they came back challenged by the word of God. They were counseled and supported by a married couple from our church that is studying there. The mother of one of the boys received Christ as her Lord and Savior. Praise the Lord!

This past month was also one of hard decisions and growth. We had to sit down and speak with the leaders, particularly those who weren't growing. But, all turned out for good. We are sure that God wants us to challenge one another to grow more, but we need to lay aside certain things of spiritual immaturity so that God can do in us what He wants to do. (Romans 8:28; 12:2)

I ask that you pray for my wife and me—for wisdom to guide the members. For our son, Andres—that God will help him to stay strong. Praise God for the good decisions that he is making. For our daughters, Mara and Diana—pray for their spiritual growth. Praise God for them, too.

Lastly, please pray for the children of El Jaguel. Many of them are abused or abandoned. Pray for God's care over them.

Thank you for your prayers and financial support. God bless you.

In Christ,

Pastor Marcelo Santos
