Dear Prayer Partners,

Give thanks to God for His favor on us and for the gifts that He gives to us that prompt us to continue each day. We praise God for blessing us with you who intercede for us, and for helping us to evangelize to the ends of the earth. May the Lord multiply your efforts and grant the petitions of your hearts.

We believe in the power of prayer and so we have set aside Thursday as our day of prayer. One day a boy named Ruben came; he had been involved with the occult. The Lord touched Ruben's heart that day and granted him salvation. Praise God!

I ask for prayer for the church body as we pass through a very difficult time with some of the leaders. It seems as though these leaders are not willing to listen to correction, but only seek to destroy this church. Please pray to the Lord for wisdom. He alone knows the hearts of these leaders, and so He will be able to guide us and clarify their intentions. Pray also that the Lord will show us our own hearts and what He desires for our lives.

Praise God that He saved another soul. Carlos, a 25-year-old pastor's son, came to us broken and ready to give his life to Christ. This was a good reminder for us to not assume salvation is there just because of the faith of the parents.

We thank God for the guitar that was given to our oldest son Joel (18) by his grandmother. We pray that he will use this for the Lord. We are also grateful for the opportunity that was given to us to attend a 2-day pastors' retreat. The Lord gave us a time of refreshing; it was something that we really needed.

We are grateful for your care for us and for your faithful prayers. Please be in prayer for Carlos and Ruben, that the Lord would grant them spiritual growth. Pray for Graciela Campagnoli, that she would find her strength in the Lord. Finally, we ask that you pray for Patricia and Gustavo Cordero, a couple with whom we have been sharing the gospel. Pray for their salvation.

Thank you, brethren, for your labor of love.

In Christ,

Pastor Fabian Soler
