Dear Highly Esteemed Brethren,

Thank you very much for your love and efforts toward our ministry!
May the Lord bless you abundantly and may you have a great year!

We have seen the glory of God manifested in each meeting we've had. He amazes us by the power of His gospel. Last month, we presented a play at a school to more than 120 people. It was a very special time and we give thanks to God for it!

We held a special meeting after Christmas during which more than 15 people shared their testimonies. It was amazing to hear how the Lord is transforming their lives! We suffered a lot throughout 2010, but we grew in Him. 2 Thessalonians 3:5 says, "May the Lord direct your hearts to the love of God and to the steadfastness of Christ."

Mariana Vera was baptized last month. She suffered a heart attack a couple of months ago and then decided to follow Christ. It was amazing to hear her testimony. Many of her relatives came to the baptism. She is now serving the Lord and His saints. Glory be to God for her life!

I praise God for the prayers of His saints. By the grace of God, I found out I do not have cancer. I am very physically stressed. Right now, I am under medical treatment that is very expensive. Please pray the Lord will provide the money for my treatment.

I give thanks to the Lord for my son Joel. He got a job; we are very happy for him. Celeste finished her school year and Gaston is still taking some finals. Please remember to pray for my children. And, please pray for my wife and me. We are very tired and desire rest!

Brethren, thank you very much for all your help. May the Lord bless you greatly!

With love,

Pastor Fabian Soler
