Dear Beloved Brethren,

We send greetings with affection, expecting that you are well and enjoying the multiple blessings that we have in the Lord. We are very grateful for your support. It is beautiful knowing that there are faithful brothers and sisters who are praying for us and the ministry to which our great God has entrusted us.

The last days of the month were spent nursing my sick wife and son back to health. Praise God it was nothing serious. Thank you for always praying for my family.

In previous reports, I have shared that we are seeking a place to congregate in the center of the city. This has been very difficult, but again, I am thankful for the prayers of the saints and to God for His faithfulness to us. We have almost closed on a deal that is nearby. This place has stoves, fans, chairs and the capacity for nearly 100 people to gather. It is also being offered at an incredibly low price. Thank you so much for praying! We are convinced that all of this will be finalized in God's time and that He will provide all that is necessary.

Please be in prayer for a couple who has been living together. Their names are Yesica and Julio; together they have a son. We give thanks to God that He is at work in their hearts because they now want to be obedient to His word. Please pray that they will be married soon and that Christ will be the center of their marriage.

We have also been discipling another couple, Ariel and Alejandra. They have five children and are very busy with their jobs. Please pray that they will find the time to meet with us and that we will be able to effectively minister to the entire family. We also want to reach their friends, relatives and neighbors with the gospel of Christ.

It is a privilege to tell you that the mother of Carlos and Pablo is being disciplined by Alicia now. Please pray for this mother as she learns more about Jesus Christ and for Alicia, because this is her first time discipling a new believer. Pray for godly wisdom and grace as she teaches. God is doing great things among us!

Dearest brethren, thank you so much for the enormous support that you are for our lives and ministry. Thank you for your prayers; they are a great help to us.
