Dear Prayer Partners,

“Cast your cares on the Lord, and He will sustain you.” (Psalm 55:22)
Life in Christ is a continual challenge, and we often find ourselves in a fog. But Christ has not changed, nor will He change. His love and power are available today just as in the past. Each day we place our lives in the hands of our Creator and search for His sovereign will.

My wife is still in Gama giving support to our daughter and grandsons. Junior, who had gone to stay with his sister Pollyanna, did not adapt well to the life in Gama and has returned to Para with me. This is good because I was feeling very lonely. My health is good. Various exams have shown everything to be in the normal range. We praise the Lord for His care.

The work in Ananindeua continues with our usual weekly meetings and services. We began a new step by starting home evangelistic meetings for our neighbors. Please pray that many will come to Christ through these meetings, and that those attending will be eager to learn from the word of God.

Two of the sisters are teaching the Bible in a public school near the church. This is a wonderful opportunity to reach families. Pray that the Lord will open the children’s hearts to receive Jesus as Lord and Savior. Pray that they will share the gospel with their parents.

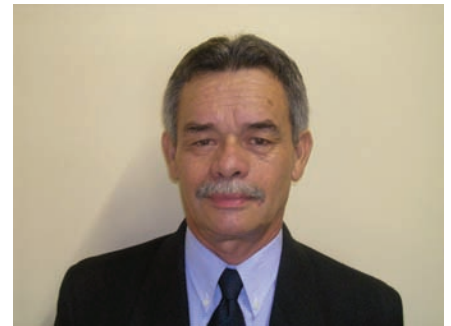

At the beginning of September, we commemorated the fourth anniversary of our church with a beautiful program. The children also had a part and the drama group presented a performance that encouraged the church to be a light in this dark world. Please pray that the overflow from this time will continue to encourage us in our efforts to reach the area for Christ.

The early morning prayer meetings continue every day of the week. During these times, we have felt the close presence of the Lord and experienced His blessing in our lives.

Thanks to all who have faithfully helped us in this work. May God in Christ bless you!

Sincerely in Jesus’ name,

Pastor Jonatas Cardoso
