

FRANCISCO DE ASSIS
serving in **PALMAS, TOCANTINS**

Dear Beloved and Precious Brethren,

May the grace and mercy of the Lord, who helps us each day, be with you today and always, and may the living God reward each of you as you support and encourage us.

Thank you for your prayers for the anniversary of the church. There were three days of celebration representing the three years of the Adonai Evangelical Christian Church. Various churches came to celebrate with us, the children sang praises to the Lord, and visitors attended who are not yet believers. The Lord blesses us in everything.

Noelson has begun the architectural work for our church building. He will not be there during construction, but Eliana's husband will be there and will connect the telephone as well as other things. The original agreement with Noelson was that he would not charge for his work, but he has changed his mind on that. Please pray that the Lord will provide. We have great pleasure in paying him, because the laborer is worthy of his salary. But we ask that you pray for us.

We have experienced many victories from the Lord Jesus; many people have visited the church, many have made decisions, and many have been reconciled to Christ. God has helped us in everything and made all of this possible.

We had to buy an air conditioner for the church because the heat was so unbearable in the building that we were holding our meetings outside. One weekend, a neighbor was bothered by the "noise" we were making and complained, which resulted in our moving back inside and buying the air conditioner. Please pray for this neighbor, and pray we will be good witnesses to him.

Thank you for your continued encouragement. May the Lord richly bless you.

Sincerely in Christ,

Pastor Francisco de Assis
