Dear Prayer Partners,

We had many visitors this month—of course, this is a vacation area because of the beaches. We invited Pastor Luis Carlos of the Christian Church of Ipora to preach in our church; his daughters sang for us. It was a joyful time and a blessing. The church was full and this in itself was a wonderful thing.

We recently moved to a bigger building that is almost in front of where we used to hold services. This new building has a larger meeting place with rooms for the children and the youth.

Two families have been visiting us—Donizete and his wife and Franco, his wife and their two children. We are praying for them, that they might become strong in the Lord.

The services in the home of Teresinha continue. This week we had around 25 people attend the meeting. It was a blessing. In addition to this, we held services in the home of a lady named Maria; she has cancer. We are praying for her and believe that she and her family will be brought to Christ.

Praise the Lord that all is well with Cristiane. She gave birth to a little girl. Her other daughter, Maria Eduarda, is faithful. She is only 6 years old and loves church.

In my last report I told you of Fabio's conversion to Christianity. Please continue lifting him up before the Lord. He is struggling to be freed from alcohol. We also ask that you pray for Davi; he recently went to a drug rehabilitation center. Please pray that these men will recognize their freedom in Christ, that they will desire to be in God's word daily, leaning on Him through these trials.

We are so grateful to have you as our partners in this work. Thank you for your financial support and for your prayers for us and for the congregation. May God bless you.

With deep gratitude,

Pastor Marcos de Freitas
