Dear Supporters,

“Jesus answered and said to them, ‘This is the work of God, that you believe in Him whom He has sent.’” (John 6:29)

It is always a joy to share with you what God is doing in this work of planting churches. I am happy to report that it is going well.

This month we welcomed some brothers from the Evangelical Christian Church of Recife in an exchange program. Pastor Ronaldo Corceli preached at night, and our members took part in the music. It was a strengthening time for the body of believers and broadened our vision. On the same day, along with our brothers from Recife, we had a luncheon for parents. It was an opportunity to be together praising the Lord for victories and asking Him for His blessings on the parents of our church.

We are happy for one more family that is attending our church—Jorge and Tania along with their four children. They are believers who have shown their interest and joy in being with us. They said that they came because they could see our church from the condo where they live. Please pray for them.

We are trying to structure our teaching ministry and are enjoying working out our dreams as we plan and strategize. Pray that the Lord will guide our plans and bring blessing to this important ministry.

The upgrades to the church building, which we are still in the process of being completing, have already made our church more attractive and efficient. We are now in the last phase of finishing the rooms and will soon be working on the kitchen.

My family is doing well. Each and every day we praise the Lord for the security, health and peace He showers upon us and for the privilege of serving Him.

Thank you for the important part you play in this ministry. Your prayers are vital to its success. May God bless you richly.

With gratitude,

Pastor Cledyson de Souza
