

GHANA

Dear Prayer Partners,

Praise God for His protection and faithfulness during this month. We are very grateful to the Lord for your continued support; we are also doing our part. Together we can spread the light of God's truth to the people here who walk in darkness and fear.

We praise the Lord that our witnessing continues to be fruitful. With the addition of five new believers, the membership at Penyi is now up to forty-nine. The work at Viefe is also growing. Four more people have received the Lord Jesus Christ there, bringing their average attendance to ninety-two. Please pray that we will remain faithful and enthusiastic in our witnessing, and pray that God will continue to bless our efforts, that many may come to know Him.

We are so thankful for the help we are getting from our mother church—especially from the women and the youth. The youth have already won some converts, and the women are conducting follow-up as well as doing their own witnessing. Please pray that we will be able to keep this program going. Pray also that we will be able to get more groups from the mother church involved.

The youth went to their annual convention. This year they studied primary health care, and were introduced to God's view of marriage. Pray that the things our youth learned will help them grow into mature Christians with servant hearts and a desire to be used by God.

A believer in Christ donated some rice and chickens to the infant church at Panyi for a celebration. Praise the Lord! Those members have also been blessed with some toothbrushes.

We continue to wait on the Lord for the provision of land on which to move our church structure. We believe that having our own plot of land will help the church grow. Pray that the members will be blessed so that they can contribute to the church.

Because of the evil influences in the area, we are in need of your prayers. Pray that we will be given strength, wisdom and protection. We depend on your prayers. Thank you.

Blessings,

Pastor Daniel Agboto
