

MAXWELL AGLAGO
serving in **AKATSI AREA 4**

Dear Prayer Partners,

His banner which is over us is love, indeed. We thank God for His guidance throughout this past year. We also want to express our heartfelt thanks and appreciation to you for your continued support. It really encourages us to do more for the kingdom.

The Abor work is growing slowly. There are now 22 converts. We are trusting the Lord will lead us to a suitable place for worship so that we can move forward. Pray with us to get the funds for a venue.

The Sogakope mission is also doing well. Out of the 80 converts, 43 of them are very serious in their walks with God. We are pleased with this number and pray they will positively influence the others.

The Christmas convention went as planned. About 110 souls were saved. Some are from the neighboring towns and villages, but they are being followed up. We have been able to contact 15 people here at Sogakope and are working at following up with the others. Please pray the Lord will help us in this effort to make disciples.

Finally, give praise to God for answered prayer! The Holy Spirit directed us to the New-town area of Sogakope and it was here that we learned about a place for rent. A landlady had built a fairly large chapel with a two-unit office facility and she donated it to us for worship purposes! The building still needs a roof, but we are very grateful to God for this development. The roofing will cost us \$5000. We know He will be faithful to provide.

Praising God,

Pastor Maxwell Aglago
