

GODSWAY AHIDEKEY
serving in **SASEKPE AND AKATSI**

Dear Prayer Partners,

God is good and faithful! Because He lives, I can face tomorrow. We thank you for your faithful support. We are fine and we trust you are also fine by His grace.

The Mafi-Sasekpe mission program is ongoing and it is our prayer that the church will grow stronger. We organized a revival to clear obstacles and to ask for God's favor throughout the month and it was great! Our house-to-house evangelism yielded some positive results. There are some who are now back in the fold. Pray for their spiritual strength and for effective discipleship.

The school is running well and we now have about 180 pupils on the roll. We were supplied with some story books, crayons, pencils and pens. We are praying for a computer so that the children may learn what it is.

The new work at Akatsi is moving gradually. Because it is at the district's capital, it requires more resources than that of a village church plant. We hope to break through this very strategic place. There are a few converts here. The house-to-house evangelism is ongoing and we pray the Lord will bless it. We hope to prevail in this city, despite the challenges that confront us. We hope to have our first worship service in April.

Blessings,

Pastor Godsway Ahidekey
