

Dear Prayer Partners,

We are very grateful to the Almighty God for His mercies and provisions. We are also grateful to our very important partners who support us through prayer and financial gifts. My family is doing well. The children will be returning to school soon.

Three people visited us this past month and one of them gave his life to Christ. We are praying for these other contacts to surrender their lives to the Lord in His perfect timing. Our evangelistic program also resulted in one salvation. Praise God! The attendance now stands at 62 (excluding Kopega). I was able to visit 26 of the members last month to encourage and edify them through the Word and prayer.

We have prepared the ground for maize and we hope to plant the seed in February in order to take advantage of the early rains. Pray the Lord will bless our efforts by giving us an abundant harvest.

In Christ,
