serving in **SECOND LOWCOST-AFLAO**

Dear Prayer Partners,

My family and the entire membership of my church are grateful to the Lord for all of His benefits to us. Thanks very much for your prayers.

This month we were able to follow up on the 133 converts in Agbogbome who had surrendered their lives to Christ at the showing of the Jesus Film. Pray that these people can be brought into Christian fellowship and remain committed to the Lord. Pray that God will continue to magnify His work in that area.

During our house-to-house evangelism, we were able to evangelize twelve households. Please pray that the members of these families will become vital witnesses to their relatives and neighbors.

Our church fellowship is continuing to grow with the addition of ten new converts. These new believers will be taking classes on the assurance of salvation in order to help them understand their position in Christ and prepare them for baptism. Our membership is now at thirty-five. We will be continuing to follow up on others to whom we have witnessed, with the help of the ministry students and the women's missionary union from the mother church. We also held a three-day revival meeting in which three people gave their lives to Christ. These people will also need follow-up and discipling.

We are in the process of reviewing our Sunday school in order to make it more effective. Please pray that we will be given both the wisdom and manpower to put a plan in place that will bring glory to God.

I am happy to report that, by the grace of God, the construction of the small structure for our worship has started in earnest. Pray that the process will be able to continue without problems.

My family and I are doing fine. We are continuing to pray that the Lord will direct my wife in finding a small income-generating project to help us with some needs. But we trust the Lord to provide whatever we need, knowing that any hardships that come our way serve to help us grow closer to Him.

Thank you for your faithful prayers and encouragement.

Blessings in Christ,

Pastor Gilbert Dzidzoamenu
