Dear Prayer Partners,

Praise and thanks to God the Father of our Lord Jesus Christ who continues to bless us.

We have been very busy with house-to-house evangelism and have mobilized the entire church to participate in witnessing and visiting the sick and unbelievers. We are thankful that the response to our efforts has been positive. Pray for those who are not attending services regularly—either because they are not able or because they don't think it is important. Pray that they will not remain in sin, but be drawn back into fellowship.

The church is continuing to grow, and we have some new converts awaiting baptism. Pray that they will come to understand the greatness of their salvation and commit themselves completely to Christ.

At one of our Wednesday evening Bible study sessions, we had the opportunity to pray for a student who was sick. We are thanking God that by the next day that student was healthy again. We give Him all the glory.

Please continue to pray that more men will be saved and join our fellowship, taking on leadership roles in the church. Pray for the youth also, as they struggle with peer pressure. We are asking the Lord for musical instruments that will draw young people to church and encourage them to be involved in music ministry. The church has some pressing needs and our members are poor. Please pray that the Lord will bless them, so that they will be able to help meet these needs.

Pray that the Lord radiates through us as a family. We want to be godly witnesses and servants.

Thank you for your faithful financial support and prayers. We also pray for you and ask God's favor to be upon you.

Sincerely in Jesus' name,

Pastor Patrick Dzobo
