Dear Prayer Partners,

We are grateful to the Lord for His protection and sustenance. We also wish to thank you as our prayer partners for your faithfulness in supporting us as we seek to fulfill our calling in this part of the world.

We rejoice that our outreach has won five new converts at Avoeme. Please pray that these new babes in Christ will remain committed and grow quickly as they study God's word.

We are continuing to focus on evangelism in our Bible studies. Please pray that the members will become eager to reach out to their friends and families as we study this important topic. Pray that they will be loving witnesses for Christ. Pray also for me as I plan and prepare these studies, that my teaching will be correct and inspired.

I have started training three of the members for leadership roles within the church. As a new pastor in this church, I feel an urgent need to have more hands to help with the work. I thank God that these three men are responding well as I delegate authority to them. Please pray that they will surrender their lives totally to service for the Lord.

We ask that you continue to pray for our special protection as we battle with demons for control of this area, for the lives of the inhabitants and even for the members of the church. There are shrines here where they chant against us. Pray that the Lord will prepare the hearts of the very ones who chant against us, so that they will come to see their need for a Savior.

Thank you for praying for my family. Please continue to pray that our new child will grow in the fear and knowledge of the Lord. Pray also that as a family we will be united and live exemplary lives before others.

We are so grateful to the Lord for your part in this ministry. Thank you very much for all that you do to support us.

Sincerely in our Savior's name,

Pastor Robert Hodzinya
