

ANANI KPETSIGO
serving in **ZIOME**

Dear Prayer Partners,

God led us faithfully throughout this past year and He alone deserves our praise, thanks and adoration. We are also grateful for you who give us support through prayers and financial gifts.

At Ziome, there were three more souls saved last month. First-time visitors were recorded at 32 and it is our prayer they will return and stay, believing in Jesus Christ.

At Agbogbome, there were four new converts. In all, we have 44 members who are serious in their relationship with the Lord Jesus Christ. They are very motivated to know Him better. Thirty-three visitors were recorded on December 31 and we pray they will respond positively to the message and give their lives to Christ.

A new church has been planted at Gamadzra. There are 20 members there and we will be following up with them at the end of January. We hope to reach three other areas by the end of this new year.

We completed a five-day fasting and prayer revival prior to going to the convention at Sogakope. Pray the Lord will be honored and will use this time to grow His body.

We have a time of prayer every Tuesday and these prayers are being answered. Some of the members are serious about prayer and attend a prayer camp at Zokope. We continue to covet your prayers, though, knowing the Lord works through them. Please also keep praying for the needs we have, mainly for a simple church building at Agbogbome.

Blessings,

Pastor Anani Kpetsigo
