Dear Prayer Partners,

Mr. Seiji Saitoh has been attending our worship services periodically, though not every week. We do have a time of fellowship with him after the services when he does come. He will begin our “church education” in May. Pray he will be open to the gospel through this study of fundamental doctrine and that the Lord will lead him to a confession of faith in Him.

Mr. Masayoshi Fukuda continues to write letters back and forth with me. He is open to talking about God, the Bible and salvation. However, I don’t know if he understands. Pray I will be able to speak directly with him about the gospel.

Mr. Nobuharu Matsumoto, who came to our Bible study in the beginning, has not returned because of his job. We also missed meeting together once because my daughter Niina had been hospitalized. Pray Mr. Matsumoto and I will be able to secure a time to study the Word and that he will be led to a confession of faith.

This year our church hopes to get word out that we are here. “Making a Point of Contacts” is our theme for 2012. Pray for godly wisdom and the Lord’s leading. Pray also that we are prepared for all the Lord has for us.

Niina broke her left femur on March 14. Pray she will heal completely. Pray also for His peace for her.

A year has passed since we started this church. Looking back on the year, we can count up the Lord’s blessings to us, for which we give thanks to Him. Pray, that in our second year of existence, we will sow the gospel seed along with reaping the Lord’s harvest. Thank you for your prayers.

In Him,

Pastor Kiyohito Higa
