Dear Prayer Partners,

We are thankful that Mrs. Kiyoko Kobayashi has returned from Nagano Prefecture. She had been there to take care of her older sister who was recovering from surgery. We are happy to have her back.

Please continue to pray for Miss Megumi Satoh. This young lady, whom I had written about in the last report, has not come back to church. We have had no communication with her—maybe she found another church or is busy with her new job. In any case, please pray that she adjusts to living on her own in this new city.

Continue to lift up Mr. Satoru Nakamura and Mr. Masakatsu Nakamura in your prayers. Satoru has been regularly studying the Bible every Saturday. Pray that God will open his eyes to see his need for repentance and faith in Christ. Masakatsu suffers from a mental illness, so he has not been with us this past month. Please pray that he will recover soon and for his salvation.

We also ask that you pray for Mr. Shigeru Sudoo. He is a 40-year-old single believer who is trying to rebuild his life. Shigeru lives quite a distance from the church yet comes at least once a month. Please pray for wisdom and discernment because he is struggling financially.

Mr. Satoshi Mukai is from Fukushima Prefecture and has moved to Misato because of his job. He found out about our church through our website and has attended a couple of times. Satoshi says that he is also looking at other churches in the area. Pray that he will find a solid, Bible-teaching church and that he will adjust to his new job quickly.

We praise God for His mighty work in Miho Shoda's life. She continues to study God's word earnestly and has a disciplined prayer life. Miho is a wonderful testimony to others and is continuing to grow spiritually.

We are so grateful for your prayers and financial support over the past four years. You have been a very important partner in the planting of Misato Baptist Church. We praise God for your faithful support, and ask that you would continue to remember our church and the ministry in Misato in your prayers. Thank you and God bless!

In Christ,

Pastor Hiromi Oosawa
