

Dear Prayer Partners,

We organized a Christmas concert, inviting three musicians. Several non-believers attended. We would like you to join us in praying for their salvation. Their names are: Mr. Shusuke Taniguchi, Mr. Hidenori Honda and his wife Mieko, Mrs. Miyoko Tsuruno and her daughter Junko, Mrs. Yumiko Itoh and her son and his friend, Mr. P.

Please be in prayer for Mr. Takashi Iwata and his wife who live in Fukuoka Prefecture. They are a Christian couple. He was recently laid off because of the company's restructuring. He is in his 50's and is now working at a place in Nagasaki Prefecture. He wonders if he will continue there because it is very hard physically and mentally. Pray with us that he will find a better job and that it will be closer to home.

The church continues trying to reach out to the community through street evangelism and distributing fliers for church events. The children's Christmas class drew in 21 people, including one parent, even though there were many other events going on in the area. The Christmas worship service, party and concert were also organized. Eleven non-believers attended the concert; ten out of the eleven were newcomers!

The Korean language class continues by the grace of God. Four non-believers attended last month's class. Pray they will continue to study the Bible.

My daughter will start elementary school this spring. Please pray for a smooth transition. Pray also that new people will come to visit and hear the gospel message. Pray for the salvation of many.

In Him,

Pastor Homare Uyama
