

Dear Prayer Partners,

Thank you for your faithful prayers and support. We desire to walk with the Lord and trust Him with abiding faith in 2012.

We held a children's winter camp from January 4-6. A total of 40 attended the camp. It was a great blessing. After the camp, though, my daughter Minami and I came down with a bad flu. Please pray for complete healing. Please also continue to pray for my entire family and the church.

Ms. Kate Tanaka received Jesus Christ in November and was baptized on December 11. We thank the Lord for this! She was very lonesome and began to seek Him. Pray for her spiritual life to be sustained and blessed by the Lord.

Ms. Rachel Abarca was led to follow the Lord and was baptized Christmas day. She came here for medical testing on her heart and will be returning to the Philippines in two months. Pray for the Lord's blessings upon her life and that she will receive physical healing.

Mr. Mark Tada, who had not been to church in four weeks, came to our Christmas worship service on the 25th. He has professed faith in Jesus Christ; pray for his spiritual growth.

Please continue to pray for the Bagaas family. Pray for their marriage and that the Lord will work in their lives. They have not felt led one way or another regarding whether to return to the U.S.A. Pray they will seek the Lord's will. They continue to live in our church building.

Thank you for your prayers for my trip to Fukushima. The Christmas meeting at the temporary house and the concert at the music hall were blessings. We are very grateful to have been a part of those events. We delivered the gospel to those who are battling invisible radioactivity. It remains a very disaster-stricken area, filled with goods, but they need the gospel. I will go there again in the spring, if the Lord wills. Continue to lift up the people of this area in your prayers. Pray for healing and God's grace.

Please continue to pray for the move of the Kurihara family. He is a pastor who evacuated from this nuclear area. They will move in the spring instead of January 2012. Please pray for Kenji's wife, Mary, who is struggling spiritually through all of this.
