

Dear Brethren,

Greetings in the name of Jesus, the Lord and Savior of our lives. I hope all is well with you. Down here in Malawi, things seem promising by the grace of God. God is at work, yet from our perspective, the church is still the same in terms of numbers. But I am still trusting God, that He will bring forth more people for our church. I continue to visit people door-to-door, sharing the gospel and working with the youth. Pray the believers here will be doers of the Word and that they will grow in His word.

As for me, I am doing well and cannot complain. Please stand with me in prayer, that the preaching of the true word of God will bring people closer to Him. Continue to pray for me, that God will grant me courage and boldness to proclaim His word and also for good health.

Thank you very much for your prayers and for your support. Grace to you.

Your fellow worker,
