

## MYANMAR

Dear Prayer Partners,

Due to your prayers, we reached 50 homes with our carol singing last month. It was great to share the good news of the great salvation with every house we visited. We distributed gospel tracts and CDs of the comparison of Buddha and Christ. We received 20 of these CDs from Campus Crusade. The people liked it and more want to listen to it, so I will need to make more copies. Please pray! Four people were interested in Jesus Christ and His salvation. They came to our Christmas celebrations and worship services. Praise the Lord!

At our celebrations, we could not invite many people because of our limited funds; however, I invited some new people who were interested in the gospel of Jesus Christ. It was great that about 30 new people joined us. I had the opportunity to share the gospel with them. Give thanks to God for this! One man, U Tan's son, received Jesus Christ as Lord and Savior. I am teaching him the word of God and about baptism. He will be baptized soon.

It is encouraging to me that my members are participating in our weekly programs with enthusiasm. Praise the Lord!

I want to give you my special thanks for your prayer help and financial support. All your prayers and offerings are very effective. May God bless you all.

Your co-worker in the Lord's vineyard,

Pastor Goh
