

MYANMAR

Dear Prayer Partners,

First of all, I want to thank God for the answering of our prayers. Scripture says that the prayers of faithful men are answered and accomplished by God without fail. My new church has been progressing so that we now have about 30 regular attendees at the Sunday services. We also have about 20 children in our Sunday school. I conduct home cells and prayer meetings regularly and I also go out to evangelize the village and neighboring villages.

Recently the Lord saved two families. One family consists of the husband, wife and an only son. They joined our church and were baptized on March 11. Praise the Lord for their salvation. The second family was a woman and her daughter. They are currently studying about baptism and I hope to baptize them soon. Praise God for His grace and mercy.

One of the church's members, an old man, passed away in March. It was an opportunity to share the gospel with those who came to the funeral. I have been trying to reach new people and distributed some tracts and shared more of God's word with those who were open.

I thank God that the surgery on my eyes was a success. My doctor did advise me to rest for a few weeks. Because of this, I was unable to travel to the pastors' training conference. It is good, though, that I am getting much better now.

I give you my special thanks for your prayers and financial support. It is very helpful and effective for my family and the ministry. I pray God will bless you abundantly. Thank you very much.

Your co-worker in the Lord's field,

Pastor Hlaing
