Dear Prayer Partners,

During the month of October, the Lord wonderfully led us to baptize four new believers. I had met them previously and had shared the gospel with them several times. Praise the Lord for His power to change them. Here is the testimony of one of them: "I was amazed when I first heard about Jesus. I felt something like joy in my heart. I did not know what it was. I hesitated to tell Pastor Khup, but I could not keep quiet anymore. So I went to the church's worship service and I felt more joy and happiness. After listening to more of the story of salvation and of Jesus Christ and the love of God, I knew Jesus had died for my sins and that they were forgiven. So I was very happy. Before Jesus Christ, my life had no meaning. But now, my life is full of meaning and hope because of Jesus Christ. Praise the Lord!" She is now my good helper in my weekly programs.

I also met U Nein and U Maung at an outreach program and I spent three hours telling them the story of Jesus Christ. Both of them were interested in hearing about Jesus and of the purpose of His incarnation. I also visited seven people who were sick and shared the word of God with them and prayed for them. The Lord heard my prayers because some of them received healing.

I also visited a nearby village and encouraged believers there. I had the opportunity to share the gospel with some spirit worshipers, too. I pray the Holy Spirit will move their hearts and that they will come to Jesus Christ.

Our weekly services are running smoothly. Please continue to pray for the effectiveness of these ministries—prayer meetings, home cells, children's programs and our worship services. I also had three days of fasting and prayer, which is done every month.

Thank you very much for your faithful prayers and financial help. Your service together with me is very beneficial. May God bless you.

Yours in Christ's service,

Pastor Khup
