Dear Prayer Partners,

By God's grace, we were able to go caroling for three nights last month. We reached about 48 households and shared the gospel through song and preaching. It was very encouraging in that several new families invited us to sing and share. We then invited them to join our Christmas celebration, which was held on December 18. There were about 230 people, including children, who joined us. I invited my overseer to preach the gospel to them. The preaching was very good and the people were interested in the gospel of Jesus Christ. Even local authorities who had been invited came. We provided lunch and then the program continued until 5:00 p.m. Praise God for His goodness toward His people.

I had the opportunity to join a youth group at an outreach event in another town with fellow church planter, Pastor Rem, who serves in this area. Twenty-seven people joined this evangelistic campaign during which we distributed 4000 tracts and shared the gospel with 230 people personally. We also conducted a gospel rally and provided dinner. Nearly 300 people came and joined us, including children. We shared the gospel with them, too. Praise the Lord!

Our children's programs are doing well and many children are joining us. Most of them come from Buddhist backgrounds. Sometimes the parents forbid their children from coming to us. But other than that, the other weekly programs are running smoothly. We have regular prayer meetings, home cells, Bible studies and worship services.

May new blessings be poured upon you in this new year. Thank you very much for your prayers and financial help. Thank you very much. May God bless all of you.

Your laborer together in the Lord's field,

Pastor Lat
