

## MYANMAR

Dear Prayer Partners,

New Year's greetings to all my prayer partners! May the good blessings from above be poured upon all of you.

This is my last report, because my support ended in December 2011. Actually, my time truly ended in December 2009, but I was given two more years. I am thankful to all of you and to Steve Wheeler and the board members. All glory be to God alone.

During the past six years of ministry in this area, I faced many problems and oppositions, but the Lord was with me and the ministry is going well. Praise the Lord! He answered our prayers and the church has been firmly established in this town. Though some members have had to transfer to other cities and villages, the Lord blessed us with new members. Presently, we have about 68 members, including children. It is the first church in this town. Praise the Lord! This is the fruit of your labor, and now the gospel is spreading throughout the surrounding villages. Please do continue to pray diligently for this mission field.

We had a time of caroling last month with the young people and went house-to-house sharing the gospel. Many doors were opened for us, so we shared the good news of salvation. This was accomplished through your prayers. On December 25, we held a Christmas celebration and about 200 people, including local leaders, joined us. Praise the Lord!

Please pray for my future. I may retire soon because I am 63 years old. Pray also for this church, that the Lord will appoint a good shepherd.

My heartfelt thanks I give to you for your fervent prayers and financial help for the past six years. I will never forget it. I pray God will bless each of you and White Fields ministry around the world. Thank you very much.

Your co-worker in the Lord's field,

Pastor N. Thang

PASTOR N. THANG
