Dear Prayer Partners,

It is a privilege to be able to share my ministry with you. So far the work is going well; we've had no difficulties or problems. Our weekly programs, such as home cells, prayer meetings, worship services and outreaches are being conducted regularly and we are increasing in number. We are grateful for your prayers. We were able to conduct a gospel rally for three days last month at my home. There were about 17-22 people present. They were very happy to be there and some of them believed in Jesus Christ. Praise the Lord!

I would also like to tell you about several people with whom I shared the gospel. Some were open to listening, others were not. U Aung is a man who used to openly deny me and oppose me. But amazingly, he came to me last month and said he wanted to know the story of Jesus Christ and of the work of the Holy Spirit. Please pray the Holy Spirit will touch his heart so that he may believe in Jesus Christ and be saved.

Another man I met was U Tin. He is a spirit worshiper and has been since childhood. He still refuses the gospel and he tries to stop our ministry. A third individual was a woman, Daw Ting. She cannot hear very well, but I shared the gospel with her. She has since come to our worship services, even though her hearing is poor. She is still able to read her Bible. She said that she believes in Jesus and she needs to know more about God. There are others, too, who are interested in hearing more about salvation through Jesus Christ.

I am grateful for your continued support both through giving and prayers. Thank you very much.

Your co-worker in the Lord's field,

Pastor Rem
