Dear Prayer Partners,

Greetings to all of you in the name of Jesus Christ. God is good to His children all the time. Let us praise and glorify His name without ceasing for He is our God and Savior.

Many people do not know that God is a living God. Where I live, there are no believers; they worship idols and spirits. They try to satisfy their lives by doing their own good works. People are very strong in their beliefs. In spite of this, I am distributing some Burmese Bibles freely to those who want to read them.

I know that our God is more powerful than any other gods. I trust God, that He is the One who can change the lives of people if He so wills. I shared the gospel with several households and young people in the village. I invited some children to my house to sing songs and tell them Bible stories about God's love. One couple read some Bible verses and the Lord moved their hearts. I visited them and shared the story of salvation. They asked me some questions and I answered them the best I could, then I prayed for them. They did not confess belief in Jesus Christ; however, they are coming to our worship services and prayer meetings. Thank God for this!

Back during Christmas, I invited almost all the people in the village to celebrate with us on Christmas day. It was good that many came to hear why Jesus Christ came to the world. Pray that God will cause the seeds that were planted to grow into genuine conversions.

My special thanks I give to you for your prayer and financial support. I pray God will bless you richly and use you continually for the extension of His kingdom. Thank you very much.

Your co-laborer with God in His harvest field,

Pastor Ruat
