Dear Prayer Partners,

Greetings to you in the name of Jesus Christ. I praise God for His goodness and mercy towards me. We prayed and God answered and fulfilled our supplications according to His will for His own glory. During the month of March, I joined a short training for pastors and missionaries. The main topic of the seminar was based on Paul's church-planting technique according to the book of Acts. It will be very helpful for my ministry. I also visited a nearby village for the annual meeting of young people and had the opportunity to share the gospel on Saturday evening.

I visited door-to-door and shared the gospel with people in eight homes. They listened to what I had to share and agreed with me, but none confessed Jesus as Lord and Savior. Please pray the Holy Spirit will move their hearts so that they will come to know Jesus soon. One young man named Lian has started coming to our Sunday service. Please pray he will really believe in Jesus Christ.

I would like to ask you to pray for the children's program. I dream of conducting a kindergarten school so that I can become connected with the children and their parents, opening the door for the gospel. Our children's Sunday school program is doing well. The children are memorizing many Bible verses and stories. Please pray more children will come and join us.

I give my special thanks to you for your financial and prayer support. I trust God that the church will be established firmly in the near future. May God bless all of you.

Your co-worker in the Lord's field,

Pastor Z. Thang
