

## PARAGUAY

Dear Brethren of White Fields,

It is a pleasure to greet you by means of this report. I pray God will bless you with His richest blessings always and in every way. Brothers and sisters, it is a joy serving our God anywhere in the world, but especially where He has placed us.

I continue to serve God, bringing His word to those who need to know Him. We are currently working on a plan for next year and are wrapping up our home meetings and our couples' ministry for the year.

Brethren, I am grateful to all of you for your offerings over the years. You have been a great help to the ministry. May God continue to bless you and may our Lord Jesus Christ always be glorified through our lives. Amen! May God always enable us to trust in Him and to love Him with all our hearts. Hallelujah, glory to God! Blessed be the Lord through His death on the cross and His resurrection that gives us hope that we will one day be present in glory!
