

PARAGUAY

Dear Appreciated Brethren of White Fields,

May God richly bless each one of you. The Church of the Lord that is in Reducto, San Lorenzo is a church with many visions and dreams. Those dreams encourage us to continue ahead in the work of the Lord.

Children's Day was celebrated and we were able to give the children sweets and other gifts. Our church is blessed with wonderful members who are taking advantage of this precious time with the children in order to tell them about Jesus Christ. We have evangelized nearly two thousand children, and not only children, but many of their parents and other adults who are around at these events. Many have declared faith in Christ, so we are beginning to develop closer relationships with these people through follow-up.

Reaching out to the children has increased our number in the church, as well as the biblical club for youth. Our goal is to finish a permanent place of our own to hold Bible studies and fellowship gatherings so that we have greater freedom in planning. We give thanks to God for what He is doing through each ministry here.

We continue to host a dining room (feeding program) in two places—Reducto and MITA. We also host biblical studies there every Saturday from 10:00 a.m. until 1:00 p.m. We give thanks to God for your prayers and for His work in the lives of the believers who were baptized; they are now very involved in the Lord's work. We have another new group of believers who are being disciplined. Praise to God for their obedience. May the honor and glory be God's.

I ask that you remember me personally in your prayers as I recover from hernia surgery. Pray that the ministries will continue during this period through the leadership of my helpers. Pray for the youth whom I am disciplining once a week; pray also for me as I minister to them. Pray for Ricardo Freitas who takes turns with me, teaching Sunday school. Luis Britez is also a man of God who fears Him; he is a great leader of the youth. Brethren, please continue praying for each ministry of the church and for the construction to continue through God's provisions.

May the Lord continue blessing you richly.

In Christ,

Pastor Brites Diaz
