

## PARAGUAY

Dear Highly Esteemed Brethren in Christ Jesus,

We went through periods of blessings and trials last year. In fact, I think that the trials were what brought blessings to our lives. It is through trials that God polishes our lives for His glory.

During the year-end break, I had the opportunity to visit many families from the church. I give thanks to God for Damian Servin, who decided to come back to the ways of the Lord after six months. The family Villalba also came back to the church. The mother and her two children are reading the Scriptures and are being transformed by the renewal of their minds. Thank you very much for your prayers!

Last Sunday, a young man came to church and received Christ as his personal Lord and Savior. He had a great emptiness in his life and realized that only God could fill it. His name is Viviano Colman. Please pray for this man. I want to study the word of God with him to help him grow spiritually.

Please continue to pray for my wife and me as we disciple Cristian and Pilar on Wednesday evenings.

We are planning to host a summer camp with the Church of Florida and five sister churches. We are expecting at least 150 children and 200 teenagers. At Reducto, our goal is to take 30 children and teenagers. Please pray for this special activity, that many will come to know Christ.

Also, please pray for our financial support. Our country is not doing well economically and there are a great number of people who are unemployed. Finally, I would like you to pray for the brethren of the church, that they will submit to the Lord completely. There are many who come to church, but they are not committed to Him. We hope that this summer camp will touch their hearts. Please also pray for the guest speaker, Pastor David Ibarra.

Brethren, please keep praying for us and our ministries.

With love,

Pastor Brites Diaz
