

PARAGUAY

Dear Brethren,

We finished 2010 with a special activity for the Christmas holiday. Many of the parents of the children who come to church came and heard the gospel. We are looking for places in which our teenagers might go this summer, such as camps, so that they can grow spiritually.

I give thanks to the Lord for all the financial support we have received from you throughout these past four years. It made us see the hand of God—that He provides everything. Not only that, but you enabled me to work full-time in the church. I shared the gospel and taught the word of God in many places. I had time to read and study the Bible deeply. These past four years have been a tremendous blessing for me!

You also helped me in the training of new leaders for the church. This summer I will be working with leaders from two other churches to develop a new program for Christian leadership. It is our prayer and goal to come up with a program that would fully equip believers. Pray for us as we seek to teach them about the Christian worldview.

I am already praying for 2011. We have many needs and challenges to face. We need more leaders to work with the couples of the church. New couples are coming to Christ and we need mature believers who can help them grow spiritually.

I closed the ministry at the parliament with a special meeting. I saw the hand of God working in the lives of these people. Their hearts were open to listen to the gospel even in these hard times. God has been very good to us! Lord willing, I will continue to preach to these lawmakers in 2011. The past four months were very productive and I give God the glory for this ministry!

My family and I are enjoying vacation together and will return to our home soon to plan for the new year. Thank you, one more time, for all your help.

In Christ,

Pastor Willyam Gimenez

WILLYAM GIMENEZ
serving in **MBACHIO**

PRAYER REQUESTS

- *Praise God for supporting the church financially*
- *Praise God for the Gimenez family's good health*
- *Praise God for the parliament ministry*
- *Praise God for the new year of opportunities; pray His word is proclaimed*
- *Pray for boldness and accuracy in the teaching of the Word*
- *Pray for Pastor Willyam as he continues to shepherd the flock*

Jesus Christ can make the future of Paraguay beautiful with hope.
