

PARAGUAY

Dear Prayer Partners,

The activities continue by the grace of God here in San Lorenzo. We held a program called Caminata Festinino which presented a great festival "Hope for You". It was held in the sports stadium of San Lorenzo. This activity consisted of walking from a plaza to a place where we gathered the children for a time of singing, games and clowns. There were more than 500 children present from among the different neighborhoods.

We celebrated Children's Day and presented a special program called, "The Hospital of Clowns". More than 100 children and their mothers participated. This program clearly showed the solution to our sickness (sin). It tells of the Physician who can cure us and heal all wounds—Jesus Christ. We challenged the children at the end of the program, telling them that they are sick with sin and that only the Lord Jesus Christ can heal and clean their hearts, forgiving them their sins. At the end many of the children, and some adults, declared faith in Jesus. This same program was presented the next day, Sunday afternoon, in Iglesia Central de Florida. More than 400 children and adults came. Pray for these new believers and for our follow-up with them.

The rest of the activities of the church continue as usual. On Monday we have cell groups for both men and women. On Wednesday we gather for prayer and Bible study. On Saturday mornings we host Olympic Athletes, followed by a soup kitchen and Bible club for youth at night. Pray that the Lord will continue to bless us as we seek to do His will in our lives and this ministry.

Thank you for your prayers and economic support so that Paraguay can hear the gospel. May God richly bless you and your ministry and every family that takes part in this church plant.

With gratitude,

Pastor Gregorio Nunez
