

## PARAGUAY

Dear Brethren of White Fields,

May the Lord bless you greatly and strengthen your lives and ministries!

I want to thank you for praying and supporting me faithfully throughout these past four years. I am thankful to God for your lives and all that you have done for my family and me. The church I am ministering in has now started to support me financially. It is not a lot, but they are learning to give. Every first Wednesday of the month, the church collects money for us.

My wife Miriam and I are so thankful for you. You have been kind and merciful to us, even in the midst of an economic crisis. We don't know how to express our thankfulness to you! Thank you, dear brethren, for helping our church in Paraguay.

We have many goals for this new year and hopefully, with God's help, we will be able to accomplish them all. We trust that the Lord will be faithful, just as He has been these past four years. We won't be able to communicate with you anymore, but as the apostle Paul said in 1 Thessalonians 2:17: "...since we were torn away from you, brothers, for a short time, in person not in heart, we endeavored the more eagerly and with great desire to see you face to face." I am sure that someday in heaven, I will meet you personally and express my thankfulness to each one of you.

We will continue all of our ministries in 2011—the children's refuge, small groups, youth group and couples' meetings.

Thank you, again, for all you have done. May God reward each one of you! Hebrews 6:10.

With love,

Pastor Maximo Ocampos
