

PARAGUAY

Dear Brethren,

I am amazed to see how the Lord is working in the lives of the brethren here. Santiago and his wife Laura came to one of our Bible studies. They had been studying Romans 5:12-21, which talks about Adam and Christ. They listened to the gospel and received Christ as their Lord and Savior! Right now they are coming to church and learning more about God. Please pray for their lives and their children. (They have triplets!) Pray for the salvation of the whole family.

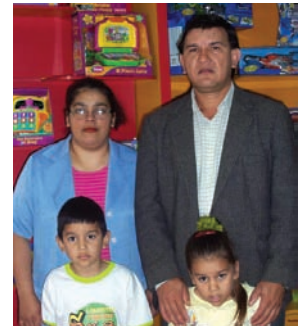

We continue to study the book of Romans and meet in the home of one of the believers. Please pray the Lord will continue to use this to bring the lost to Himself. The youth group is also studying Romans. Each one of them is being disciplined. Praise the Lord!

We continue to work with the children on Sundays as they memorize portions of scripture. Please pray these little ones will grow to love and serve Jesus and that they will show His light to their parents.

We praise God for His work thus far in the families of the area. Many came to church seeking the truth. Many received Him in faith. However, some of them have stopped coming to church for personal reasons. Please, pray for their lives, that they will return to the path of the Lord and that their conversions are genuine.

Blessings,

Pastor Ruben Torres
