

PARAGUAY

RUBEN TORRES
serving in **LUQUE**

Dear Prayer Partners,

The Lord is the one who establishes, edifies and sustains His church. For this, we glory in the Lord for His faithfulness and mercy towards us. We are grateful to the Lord for His work in the lives of the brethren here, for their firmness of faith and consistent attendance, but most importantly for their obedience to the Lord and His word.

We continue to disciple believers individually and in groups. Our home meetings carry on as do the Bible study and prayer time with the youth. Our children's ministry's Happy Hour continues; we are studying the books of Genesis and Luke. We are also encouraging them to memorize verses. God is working in a great way—we are already seeing growth through the knowledge and learning of the word of God.

We praise God for Luisa and her husband who have approached the Lord for help in their marriage and in their lives. Luisa is a teacher at the school and her husband is an alcoholic. But by the grace and mercy of God, they have received Christ as Lord and are even now being transformed. Praise God!

Please also pray for the other brethren who are with us in ministry, growing in the ways of the Lord. We are coaching them to knock down the hollow arguments of false doctrine so that they are not surprised or deceived by vain ideas that can divert them from the road of the Lord. May God protect us with His holy, powerful word.

My life with the Lord is fortified and growing. He is always answering my prayers and that of the brethren. Each day He allows me to realize His height, love, sovereignty and fidelity. I thank God for my wife and son who share in this work.

Lastly, I ask that you remember the construction work that is ongoing and that we will have open doors to share the gospel in this area. Pray for the health and spiritual growth of those around us. I say goodbye with appreciation and in constant prayer for the blessing of God toward you and your ministry.

Christ's servant,

Pastor Ruben Torres
