Dear Prayer Partners,

We have just celebrated the church's fourth anniversary. We are so thankful to the Lord for His abundant blessings—for the good weather and all the visitors who joined us in celebration. We took advantage of this during the morning service; we presented the gospel message through a youth dramatization of hell. Our message was for the unbelievers to repent now, while they are here on earth, and live for the Lord. For the believers, we encouraged them to act now, sharing the word of hope because tomorrow might be too late. Praise the Lord that there were many visitors who received Christ that day. We are encountering the problem of accommodating the increasing number of people who are coming to our services. Please pray that God will provide the needed funds through the growing congregation.

I would also like you to pray for Mr. and Mrs. Bernardino. They are in steel and glass manufacturing and did business with the church when we were in the construction phase. We had always invited them to church, but they never came until about two years ago. However, they struggle with attendance because they are frequently out of town on business. For a while I stopped visiting them, but the Lord would always bring them to mind. Then, last June I went to their home and asked about their spiritual life. They spoke honestly, telling me that they were struggling and that their marriage was in a very bad state. They are even contemplating separation. I gave them advice from the word of God and prayed for them. I know that the Lord is working in their hearts. Please pray for them, that they will be able to submit to God's will for their lives and that they will trust in Him.

Please also pray for Mrs. Lilia Perez. I invited her and her husband, Boboy, to church and they attended regularly. Now, her husband is working abroad, and he asked me to follow up with his wife while he is away. She is currently hosting a Bible study in her home, and invites many neighbors. She is very willing to learn more about the Lord and His word. It is a privilege to tell you that Lilia, along with fourteen others, received the Lord Jesus into their lives as a result of our time in God's word. They are all faithfully studying and growing. Please pray for Lilia and Boboy and all the new believers, that they would continue to grow in faith and bear fruit for Him. All honor and praise to the Lord Jesus Christ!

My family is doing quite well. There are times of discouragement and hardships, but we know we are on the right track. God's word is the strong weapon that we use to overcome all the negativity around us. We are so thankful for God's promises and for His grace that enables us to keep going. We want to thank you for your prayers. My eldest son is now enrolled in college, studying nursing. We did not know from where we would receive the funding, but God provided! Hallelujah!

Blessings,

Pastor Jose Noel Agorilla
