

NOEL AGORILLA
serving in **ANTIPOLO CITY**

Dear Prayer Partners,

I am thankful to God for the many things He has given us this past year. First, for the strength that He continually gives to me and to my family. This has never been easy for me or my family and we have gone through some hardships and struggles. But thanks be to God for His provision and sustaining power. I am also thankful for all the lessons I have learned from the Lord. He has been faithful during those trying times. I am so grateful to God for the opportunity He has given me to work for the advancement of His kingdom. I am thankful to God for the people He has entrusted to my care. Please do remember our church in your prayers, that God will continue to lead and guide me in every decision I make for His glory and honor.

The Christmas concert that we had was truly a great blessing to us and to many people. God's love was shared with so many people. We praise the Lord that many responded to the gospel and received the Lord Jesus as Savior and Lord. At this time, we have been busy following up with those who confessed faith in Christ. To date, there have been two families added to the church through this outreach. Please include these people in your prayers. It is my heart's desire to see them grow in the wisdom and knowledge of our Lord Jesus Christ.

God has been so good to the members of this church. There are some who are growing in the faith. The church is now starting to raise funds for a lot and building of our own. We have picked out a prime spot and are taking our prayers to the Lord. We are so excited to see how the Lord will work in every heart to make this thing happen. We thank the Lord for the five families who were added to the church at the end of 2011. Please pray for this body of believers, that we will continue to grow and desire the Lord. Pray also for me and my family as we do the Lord's work.

Lastly, I thank White Fields for their support of this work in Antipolo. I really thank God that in the span of four years, the Lord has brought great fulfillment to our dream. Your financial and prayer support have gone a long way in helping us with this pioneering work. May the Lord richly bless each one of you as you continue to raise up faithful men as church planters. God bless!

In Him,

Pastor Noel Agorilla
