serving in **MOLINO, CAVITE**

Dear Prayer Partners,

I thank the Lord that although our fellowship is small, we are able to accomplish great things for the Lord. Our members contributed a small amount of money which we used to buy gifts for our children in the ministry. Last month every member of the church brought food and we all shared what little we have to celebrate the birth of Jesus.

We have been partners for a long time now. It has been a great blessing for me to have known you and I thank you for all you have done for this ministry. We have accomplished great things and you played a big part in that. Your prayers and financial support have gone a long way in this work for the Lord.

You supported us when we had a work in City Homes under the name of Love In Action Baptist Church. It is now an established church under the leadership of Pastor Teofilo Rendal. God led me to pioneer another work here in Bacoor, Cavite. But I have gone back to the former church often to fellowship with the believers there and with Pastor Rendal. Indeed, they are a great encouragement to my family and me.

The Lord has helped us here in Bacoor. The church is called First Love Baptist Church. We have already gone through many struggles and difficulties, but the Lord has never left us unarmed. He has brought us here for a purpose and I believe He will always supply the grace and means to accomplish the work He has for us. By the grace of God, we now have 18 faithful attendees at our worship service and prayer meeting. We continue to hold two home Bible studies each week. My oldest son is now involved in our music ministry—he plays the beat box. He once told me he would like to play the guitar some day.

Thank you so much for being a part of our lives. We will continue to pray for you. I want to thank Pastor Steve Wheeler and Pastor Leo Ordiales. Both of them have made my stay in this ministry a remarkable one. Thank you for mentoring me for more than four years. I pray the Lord will cross our paths again and may the good Lord continue to bless us more and more as we fulfill the great commission of bringing souls into God's kingdom. Again, thank you very, very much.

In Christ,

Pastor Michael Bausin
