ROSEL CARINO
serving in **BULAN**

Dear Praying Friends,

The Lord is worthy to receive praise and adoration for what He is doing in our ministry.

We are happy to welcome a new sister in Christ who has just arrived from Manila and will be staying here for quite some time. Her name is Salve, the elder sister of Sherwin and Siony. She is very friendly and is becoming active in our fellowship. When she shared her testimony with the church, she expressed her joy in being a part of us. She also told us that she had known the Lord as a young woman, but had fallen away after she moved to Manila. Today her spiritual life has been revived and her relationship with the Lord has been restored. She desires to be a blessing and to be of help in the ministry. We pray that Salve will be used to win all her friends and family to the Lord Jesus Christ.

The Bible study in Cabogaan is going very well, and those who attend are enthusiastic. Our outreach coordinator in that area has been very diligent in visiting the brethren and reminding them of the study. Most of those who attend are mothers, some of whom want to be a part of a church fellowship. We are directing them to join our church plant in Bulan. I believe the ministry there will become stronger as we establish more Bible studies like we presently have in Cabogaan and JP Laurel. We are praying for more coordinators who can take on this task.

I really appreciate the care and concern of my precious brothers and sisters in the church while I was hospitalized. They have helped me financially, prayed for me and kept in touch with me through text messages and personal visits to my home. I have really felt the love they have for their pastor. I know that they have been showing the same love to me that I have shown them. It is really true that you will reap what you have sown. I am so thankful that God is using them to bless my family and me.

Please help us pray for the Lord's protection on my life and on the team that helps me with the outreach ministry. Pray also for divine healing and health in my body, so that I will be strong enough to serve Him.

In His precious name,

Pastor Rosel Carino
