

Editor's Note: The Lord called Pastor Daniel home on October 10, 2011. This letter, which was posted last month, was Pastor Daniel's final report. Please be in prayer for his wife Cora and their children Daniel and Sheila Mae.

Dear Prayer Partners,

I thank God in spite of everything. Because of my cancer, I see my doctors two times a week for therapy. There are many in the clinic who, like me, are cancer patients, in pain and suffering from this terminal illness. I just pray that if it is God's will, He will grant healing to me and to these people. As a pastor, I offer prayer for each one. I pray for comfort for their families, too, and I want them to know God as their personal Savior and Lord.

I praise God for the opportunity to make friends with these people. In the span of one month and many therapy appointments, I met ten patients with whom I shared Jesus Christ. The family members appreciate my effort and tell me that I am very calm and that my face does not show any suffering at all. Hence, I tell them that to be absent from the body is to be present with the Lord and I am very happy that I will be with the Lord forever.

Please pray for my family continually. Praise God—I am in pain, but I have peace in my heart. Pray the Lord will sustain us financially and if it is God's will that I leave this planet, then I am very much ready for it. I just pray that God will take care of my family and that the ministry will continue through the help of those whom I have discipled. Thank you very much for praying with me.

The following is the personal testimony of Abundio Arellano: "I came to know Jesus Christ and have received Him as my personal Lord and Savior through the ministry of Pastor Daniel. I am married with seven children, all of whom are grown. I thank God that I know Him personally. Pastor Daniel was very persistent in coming to our home for a Bible study and through this, my wife and children have also come to know Jesus Christ. Sadly, our Bible study which was held every Tuesday, stopped when Pastor Daniel became ill. We are very sad, yet this becomes an opportunity for us to pray to God to spare Pastor Daniel's life. My life has not been the same since my conversion in the faith. I now love reading the Bible and I am growing in the knowledge of our Lord Jesus Christ. Pastor Daniel has been very kind in mentoring me and he always prays for me and my family. I used to have vices, such as smoking, gambling and drinking, but I surrendered them all to God. I know that my body is now the temple of the Holy Spirit and He is my strength to overcome all temptations. Please pray for our pastor, that the Lord will grant him healing. Pray also for me, that God will use me to fulfill His plans here on earth."

In His hand,

Pastor Daniel Casuga
